What will I be signing up to do?

For most of the activities, volunteers will team up to distribute gift cards or gift certificates to women or women with children. One team will be asked to give *gift cards* at one location, another team may distribute *bus passes* at another location, and a third team will give gifts to *McDonald's patrons*. Other teams will present gifts to essential staff.

While giving gifts, the volunteers will be asked to encourage the women and give them information about WUCNetwork (a pamphlet will be provided). The presence of the WUCN volunteer team with bright colors and matching T-Shirts will create fun, cheer and joy – it will build hope! Sign up EARLY to get a T-Shirt!
